We, the senior class of 1989, would like to dedicate our yearbook to Mr. C. Howard Smith. Seventeen out his thirty five years in the Boston Public Schools were served here at Jamaica Plain. Aside from being the Assistant Head Master, Mr. Smith was once Head of the English Department, Chairman of the Scholarship Committee, a baseball coach, Commissioner of the Umpires of Boston, and a football official. We want to say thanks, Mr. Smith, for your many years of dedication to Jamaica Plain High School.

## TO THE CLASS OF 1989:

Congratulations on reaching the end of the beginning. As graduates from Jamaica Plain High School, you must go about the business of life which is making choices. And it is a fact that in the America of 1989 there are some wonderful careers open to you.

Each choice demands different personal qualities to be successful. But all careers demand effort and respect for the rights of others. These things you have learned at Jamaica Plain High School. As a young graduate without too many responsibilities now is the time to dream, the time to dare. If you work hard enough, you will be successful.

The teachers you have had, the students you have known, the things you have learned in your time at Jamaica Plain High School are all part of your experience now. We know that you can become a useful and productive citizen. We really are quite proud of you! We hope that health and happiness will be yours for years to come.

# Greater Boston Bank

**Loans for all types of students.**  
**College ■ Nursing School ■ Graduate School**  
**Technical School ■ Vocational School**

At Greater Boston Bank, it doesn't matter what type of school you're attending (or plan to attend), or if you're a part-time or full-time student. We're interested in your education and have ways to help with financing. For students who qualify, there are Guaranteed Student (HELP) Loans. In other instances, parents or friends often chip in, with funds from PLUS Loans, Home Equity Loans or Personal Loans.

Let Greater Boston Bank find a way to finance the cost of your higher education. Visit or call any of our offices today.
